FIRE PIT AND OUTDOOR FIREPLACES

The wood for the outdoor fireplaces and our fire pits are located in various places around the resort. The wood is free for our guests. Please build fires responsibly by keeping them under control and not too large. The appropriate fire should consist of 4-5 pieces of wood. The fire pits are a wonderful place to gather around for a marshmallow roast, cook hot dogs and share great stories. We hope you enjoy them!

CHECK-IN AND CHECK-OUT POLICIES

Check-in time is at 5:00pm. We do not allow early check-ins under any circumstance. The cleaning staff requires the entire time allotted to clean the villa. Please check out promptly at 10:00am. There will be a \$50 charge for every 30 minutes past the 10:00am check out time.

UPON DEPARTURE

Please follow the instructions below to ensure no additional charges incur:

- Please gather all your trash into bags and place the bags in the large blue dumpsters.

- Please place all used towels in the laundry rooms. It would be helpful (but not required) to our cleaning crew if you would start a load of towels so they can stay on schedule.
- We ask that you please do not make or strip the beds on the morning of your departure.
- Please place all dishes in the dishwasher and start the cycle. Clean any unused dishes that will not fit into the dishwasher and put away.
- Please double check that the grill has been cleaned.
- Please turn off all lights and double check the home for personal belongings. We're happy to send lost and found items back to you, but you'll be responsible for the cost of shipping plus a \$25 processing fee — so double check for that phone charger.
